MAY 2014

OLDER AMERICANS MONTH
OLDERAMERICANSMONTH.ACL.ORG

May is a time to celebrate our mothers and all the other women in our lives who helped us over the years. A great way we can show our appreciation is to make sure they will have the financial assistance they need in retirement.

Take time this month to have a conversation with your parents or others who may depend on you down the road about their caregiving needs and retirement plans.

Ask questions about where they keep their financial information such banking and retirement account numbers and passwords. Discuss durable power of attorney. You can even suggest a joint checking account to assist them with paying their bills.

Helping them now will also help you in the long run.
