WISER Forum: *The Millennial Perspective: An Intergenerational Discussion on Retirement Solutions*

June 21, 2017

Washington, DC

This annual WISER forum featured the iOme Challenge winning team of college students who discussed their advisory paper in response to this year's challenge question. This year, student teams were asked to explore one of the biggest obstacles Millennials face in saving for retirement--student loan debt. The Challenge question asked teams to develop a policy proposal that will help solve or ease the burden of college debt for Millennials, and then offer ideas for developing incentives to ensure that their earnings will be redirected into retirement savings. Read the winning essay and learn more about WISER's iOme Challenge project at iomechallenge.org.
