### **Let`s Not Make a Deal: Beware of Unsolicited Calls and Offers that Sound Too Good to Be True**

"Expect the unexpected" is a familiar saying, but how often do you plan for the unexpected? This issue looks at some of the unexpected things life can throw our way, like needing to tap into home equity to cover expenses or becoming a victim of a financial scam. The personal story of John and his parents will also get you thinking about ways you can plan ahead.

## **Investing in 2017: Finding a Solution That Works For**

**You** Part of what makes retirement planning a challenge is that we are often planning for the unknown. Things like how long we`ll live, how our investments will perform, and what healthcare we`ll need are questions we don`t have definite answers to, yet we still need to factor them in. This issue offers ideas on planning for the unknown. While we can`t predict the future, the more we plan ahead, the more prepared we will be for life`s surprises.
