Nurse Investor Education Survey

In 2008, and with a follow-up in 2009, the Nurses' Investor Education Project conducted a survey to assess nurses' attitudes toward, preparation for, and knowledge concerning investing for retirement. The survey revealed that nurses may be saving for retirement, but few are planning and investing to meet retirement needs.

Career Opportuniites: Adult-Gerontology Nurse Practitioner (AGNP)

[Nursing.org](#) has put together a guide that breaks down what becoming an AGNP entails. Scholarship opportunities, certification information, and a directory of gerontology master`s programs are included. There is a focus on online degree options that offer greater flexibility for nurses already working in the field: [Becoming an Adult-Gerontology Nurse Practitioner \(AGNP\)](#)
