Cost of Living Adjustment (COLA) - 2018

Each year, the Social Security benefits are adjusted to fit the cost of living increase measured by the Consumer Price Index. Due to inflation, the Social Security Administration may increase benefits to help seniors with the resulting cost of living. In 2018, monthly Social Security and Supplemental Security Income (SSI) benefits will increase 2.0%. [See all the Social Security program rates and limits for 2018.](#)

Changes to Social Security Claiming Strategies

The Bipartisan Budget Act of 2015 signed into law in November 2015 includes the elimination of two Social Security benefit claiming strategies commonly known as "File and Suspend" and "Filing a Restricted Application for Spousal Benefits." The legislation also eliminates the option of a "lump sum" payout option of suspended benefits. To learn more, check out WISER's fact sheet, [Changes to Social Security Claiming Strategies in 2016.](#)
