Stay One Step Ahead of Financial Scammers

According to the Federal Trade Commission:
"Crooks use clever schemes to defraud millions of people every year. They often combine sophisticated technology with age-old tricks to get people to send money or give out personal information. They add new twists to old schemes and pressure people to make important decisions on the spot...they follow the headlines - and the money." Visit consumer.ftc.gov/scam-alerts to learn about recent scam alerts and browse scams by topics. Be informed and get practical tips and information.
