WISERWoman Newsletter - Latest Issue

Investing in 2017: Finding a Solution That Works For You Part of what makes retirement planning a challenge is that we are often planning for the unknown. Things like how long we`ll live, how our investments will perform, and what healthcare we`ll need are questions we don`t have definite answers to, yet we still need to factor them in. This issue offers ideas on planning for the unknown. While we can`t predict the future, the more we plan ahead, the more prepared we will be for life`s surprises. Sonja Meets Her Future Self

This children`s book was developed in collaboration with the Wyoming Retirement System. Sonja, a young girl, travels forward in time and meets future versions of herself to learn the importance of saving and what it means to be retired. This booklet provides a multi-generational look at retirement planning and the valuable lesson of Save, Spend and Give. It can be used in elementary school classrooms or simply shared with the children in your life. To learn more about Sonja and to watch a video of the story, [click here](#).

20 Ways to Take Advantage of Your Company Benefits Plan

For many Americans, health and retirement plans are just part of a broad range of offerings through work. This brochure highlights how workers can make the most of the range of benefits that may be available to them - especially voluntary benefits. It includes 20 ideas on how to get more from your company benefits package to help you save time and money, and to protect what is important to you. [Click here to download the brochure](#)

Divorce and Retirement: Take Control of Retirement Benefits

Because pension and retirement benefits are not automatically split in a divorce, this short, common-sense guide emphasizes the importance of these benefits and offers valuable information on marital property, negotiating an agreement, and getting a qualified domestic relations order (QDRO). (Publication updated in 2017) [Download the publication](#).

Making Your Money Last for a Lifetime: Why You Need to Know About Annuities

This booklet is a joint project of WISER and The Actuarial Foundation. Annuities can be a complex financial product, but as one of only a few options for providing guaranteed lifetime income, it is important to understand how they work. This guide explains annuities in simple language in order to help you decide if one is right for you. Published 2008. [Download the publication](#)

Don't Run With Your Retirement Money: Understanding Your Resources and How Best to Use Them

Don't Run With Your Retirement Money: Understanding Your Resources and How Best to Use Them is a joint project of WISER and The Actuarial Foundation. It includes practical insights on dealing with lump sum distributions, annuities, self-managed investing, and accounting for taxes. Published 2008. [Download the booklet](#)

Financial Steps for Caregivers

[Financial Steps for Caregivers: What You Need to Know about Protecting Your Money and Retirement](#)

This guide looks at the financial challenges facing today's family caregiver and provides information, tips and resources for helping caregivers keep their own finances on track while caring for someone else. Included in the guide is a budget worksheet that factors in many of the out-of-pocket costs of care. Publication updated 2014.
