WISER Celebrates Nurses! National Nurses Week 2017

National Nurses Week (May 6-12) is a time to celebrate our nation`s caregivers. One way to support nurses is to make sure they care for themselves while caring for others. This includes taking care of themselves physically, mentally *and* financially. WISER has been working for years to help nurses on their financial journey, and you can help too. Share these resources developed specifically for nurses with the nurses you know. [The Busy Nurse`s Guide to Financial Planning](#) and [The Busy Nurse`s Financial Planning Workbook](#) are great tools for making sure those who care for us will have a healthy financial future.
