Thanks for a Successful Event!

Thank you to all of the speakers, sponsors and attendees who participated in WISER`s forum on June 21st. *The Millennial Perspective: An Intergenerational Discussion on Retirement Solutions* was a great success! The forum featured the [iOme Challenge](#) winning team of students who discussed their [advisory paper](#) in response to [this year`s Challenge question](#). The iOme Challenge is a national competition to raise awareness of the nation`s retirement crisis and the need for the millennial generation to save for their futures. A keynote speaker, panels of experts and congressional staff leaders also discussed current legislative proposals. [Click here](#) for more event details.
