WISER Celebrates National Nurses Week

National Nurses Week (May 6-12) is a time to celebrate and show appreciation towards the women and men who work hard every day to provide care and medical attention to their patients. WISER is proud to support nurses through our [Nurses` Investor Education Project](#). While caring for others, WISER wants to make sure nurses also care for themselves. This includes building a secure financial future. Check out [The Busy Nurses` Financial Planning Guide & Workbook](#) and share it with a nurse today!
