Medicare Open Enrollment Season

Medicare open enrollment season is underway! From **October 15 through December 7**, Medicare beneficiaries can make changes to their health and prescription drug plans for 2019. It's a good idea to review your options even if you are happy with your current plan. Plans often change their costs, coverage and other features each year, so make sure you are still choosing the most cost-effective plan for your coverage needs. Learn more and get started at [Medicare.gov](http://www.Medicare.gov). Also check out the [My Medicare Matters](#) tool from the National Council on Aging.
