### **The Millennial Perspective: An Intergenerational Discussion on Retirement Solutions**

*A Forum hosted by the Women's Institute for a Secure Retirement*

This annual WISER forum features the [iOme Challenge](#) winning team of college students who will discuss their advisory paper in response to this year's Challenge question.

This year, teams were asked to imagine that they have been invited by Congress to join a Special Bipartisan Task Force to address the nation's growing retirement crisis. Their task is to develop ideas and solutions for increasing retirement savings opportunities for millennials at the workplace and independently. [Read the complete Challenge question.](#)

A keynote speaker, panels of experts and congressional staff leaders will also discuss current issues and legislative proposals. A reception will follow honoring the iOme Challenge winners.
